

I.P. WASH

AUTOMATIC WATER MISCIBLE WASH

DESCRIPTION:

I. P. Wash is a versatile low odor water miscible wash that can be used in all automatic wash units, and also as an effective hand wash. It is citrus scented, has a moderate drying speed and terrific cutting power. I. P. Wash can be used full strength or mixed with up to 30% water to quickly remove ink and varnish.

DIRECTIONS FOR USE:

Rollers: Apply straight or diluted with up to 30% water across the top of the roller. Allow the product to run into the roller train for a few minutes and engage the washup blade. Reapply as necessary.

Blankets: Apply straight or premixed with up to 30% water with a saturated cloth.

Automatic Units: Can be used in all automatic units.

READ SDS BEFORE USE.
